

Dear Vendor,

This year, Crothersville will celebrate its 49th Red, White and Blue Festival. Our festival prides itself on being "Indiana's most patriotic festival," by honoring local veterans and Old Glory. The Red, White and Blue Festival is the ideal image of small-town life; generations of families gather around carrying on their tradition's, while new families are creating their own, and "out of towners" are treated like family. Our Festival is kicked off with a salute to our veterans and Old Glory and ends Saturday night with an outstanding, crowd drawing firework show. I personally want to Thank You for choosing to be a part of the most wholesome, small-town festival in the Hoosier State.

As one of our respected vendors, we want to ensure you have a space at our festival. In order to do so, we will need to receive your completed application with full payment before May 1st, 2025. Booth space will not be guaranteed unless we have received both by the designated time frame. Booth rental is Non-refundable. Applications must be filled out completely.

Vendors can set up Tuesday June 10th after 4pm. We would like all concession trailers, RVs, and vans in as early as possible on Wednesday so that you will have ample room to get into your space. Water is available but is limited. You must indicate on your application if water is needed.

Should you require water, you will need to provide your own "Y" connector. All vendors are required to provide and fly an American Flag at their booth.

All booths must remain open during festival hours. The festival hours are Wednesday-5:00pm-9:00 Thursday 5:00pm-9:00 Friday 5:00pm-10:00pm and Saturday 9am-11:00pm. Out of respect to the festival board and patrons, we ask that you show up and stay the duration of the festival hours. Failing to do so will forfeit your spot for the following year.

Food vendors and concessions will be subject to inspection by the Jackson County Board of Health. Vendors must call at 812-522-6474 to obtain a permit form. Food booths that use a deep fryer must have a type K (silver finish) fire extinguisher. Food Booths that do not utilize a deep fryer must have a 40-BC fire extinguisher, and food booths that do not cook need to have a 10-BC fire extinguisher. Craft, Flea Market and all nonfood vendors must have 10-BC fire extinguisher. Before the festival kicks off a representative of the Crothersville Fire Department along with an inspector from the State Fire Marshall's office will be checking for fire hazards, proper UL extension cords and proper fire extinguisher. Vendors must be present for booth inspections.

**>>No vendor vehicles will be allowed on festival grounds after 3:00pm Wednesday-Saturday 11PM<<
No Exceptions!**

If you should need to re-stock your booth you must bring a tote, wagon, or an extra set of hands.

We ask that you help us maintain a clean and neat environment. We do clean the festival grounds and dumpsters are available to you. Please crush all boxes before leaving Saturday night. Please do not place used cooking oil onto the ground or into any storm drain or ditch. The Crothersville Police Department and The Jackson County Sheriff's Department will provide Security. As I am sure you know, the festival grounds are a busy place, please do not hesitate in helping by policing your areas when necessary.

As the director of the Crothersville Festival Committee and a member of our community, thank you for making the 49th Crothersville Red, White and Blue Festival another great success! Should you need clarification on the above guidelines or have general questions, please call:

President,
Christie Schill

What products are you selling_____

The Red, White and Blue Festival reserves the right to curtail types of products sold and the right to refuse any application due to Duplication of similar merchandise. Only one direct sales representative per company (i.e. 1-Thirty-One rep. ect). Direct Sales vendors are accepted per the earliest time stamp on a returned, completed application with payment in full. This is a family festival, therefore the sale of any product deemed by the festival organizer to be potentially unsafe or inappropriate is prohibited. By returning the application you are agreeing to the vendor requirements stated above.
